

July 17, 2009 Garyville, LA -- Pinnacle Polymers, LLC realigns North American distribution.

Pinnacle Polymers, LLC has reevaluated North American distribution in response of a very volatile market. We are pleased to announce that we have renewed our distribution strategy by refining and optimizing our authorized distribution partners. We are confident that this change will insure the best value to customers in all markets affected.

In Canada we have designated three authorized distributors, Pure Polymers, LLC, Entec Polymers LLC, and SM Enterprises Inc. For the USA two authorized distributors have been selected, Pure Polymers, LLC and Entec Polymers LLC. In Mexico, Longhorn Polymers has been named as our only authorized distributor.
